The nature of this programme dictates that we paddle in most conditions. You will get wet, please come prepared. Equipment

All kayaks and associated equipment is the sole responsibility of the paddler using the equipment and the paddler is responsible for unloading and loading the gear & kayaks they'll be using. We do not provide 'outsize' buoyancy aids and/or kayaks and paddles. Paddlers are also responsible for any damage and/or loss of the kayak and associated equipment that belongs to NOMAD Sea kayaking.
